

PRIVACY POLICY

In compliance with the provisions of Spanish Law 15/1999, “Personal Data Protection Bill (LOPD)” and its complementary regulations, you are hereby notified that by providing your personal data freely and voluntarily when requesting offers and the application form through the website, by telephone, Fax or by completing the form on paper, you are unequivocally consenting to your personal data being handled and treated. Likewise, we advise you that your personal data will be collected, treated and stored on an electronic file which belongs to and is under the liability of PROTECTA S.A. with the purpose of being able to inform you periodically, by electronic or conventional means, of the products and services, promotional campaigns and discounts that PROTECTA puts on the market from time to time, of news and/or information about the launch of new products, to carry out studies and/or market surveys about user requirements or, when applicable, to improve the handling of your contractual and extra-contractual relationship with our company.

The User may exercise his right of access, modification, cancellation and challenge by addressing a registered letter to PROTECTA S.A., as liability-holders for the file and sole addressees of such information, at the company’s offices at Calle Perú 104, 08018, Barcelona, SPAIN or via e-mail to lopd@protecta.net, or Fax to +34 93 2664476, indicating which right the User seeks to exercise.

PROTECTA S.A. shall respect the obligation to maintain professional secrecy regarding all personal data and shall not concede and/or communicate such data to third persons without the prior written consent of the relevant person or persons, except for when such consent has been authorised by being included among the assumptions provided for in Article 11.2 of the LOPD or when access to such data is for the purposes of providing a service as stipulated in article 12 of the said LOPD.

PROTECTA S.A. informs the User that it has adopted all available technical and organisational measures in its power and has taken into consideration the status of current technology in order to guarantee the security of all data of a personal nature and prevent such data from being altered, lost, or in any way the object of mishandling or unauthorised access.

You are hereby informed that the use of cookies is solely in order to facilitate surfing and personalise user access. The information supplied by such cookies shall never be stored in any way in order to create user profiles. The User may deactivate any cookies by changing the set-up of his Internet Navigator but this may lead to the website not working correctly for him.
